KGM Technologies Ranks No. 27 on the 2022 Inc. 5000 Annual List

Number 1 in manufacturing Among America's Fastest-Growing Private Companies

NEW YORK, August 16, 2022 – Today, Inc. revealed that KGM Technologies is No. 27 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"We are honored that our hard-working employees have been recognized for their extraordinary effort over the last three years" said Richard Cope, CEO of KGM Technologies. "Our amazing team has demonstrated that manufacturing in America is not only possible, but profitable."

KGM Technologies is the largest designer and manufacturer of weapon suppressors in the country. We are protecting the hearing of shooters everywhere and significantly enhancing the capability of our war-fighters. Our patented technologies and advanced manufacturing methods have allowed KGM to set the new standard of suppression. Additional information can be found at www.kgm-tech.com

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are featured in the September issue of *Inc.* magazine, which will be available on August 23.

“The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated,” says Scott Omelianuk, editor-in-chief of Inc. “Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today.”

Methodology

Companies on the 2022 Inc. 5000 are ranked according to percentage revenue growth from 2018 to 2021. To qualify, companies must have been founded and generating revenue by March 31, 2018. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2021. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2018 is \$100,000; the minimum for 2021 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to four decimal places. The top 500 companies on the Inc. 5000 are featured in *Inc.* magazine’s September issue. The entire Inc. 5000 can be found at <http://www.inc.com/inc5000>.
